Before you send

• **Fees:** your bank, the intermediary bank and our bank may each charge a fee. If possible, choose the option where you pay the fees (often called **“OUR”**), so the full amount of your gift arrives.

• **Check every detail** with the teller before the transfer is sent, especially the intermediary bank and the IBAN.

• **Not tax-deductible in the United States yet.** We are a registered nonprofit in Brazil (CNPJ 69.647.888/0001-55) and we are looking for a US fiscal sponsor.

• **Sending US dollars?** Please do not use this sheet. Our USD instructions are coming soon on our website.

After you send

• Email your transfer receipt and your full name to **contato@viveirodapromessa.org**. This lets us find your gift, thank you, and email you a receipt from the Association.

• Transfers to Brazil can take **from a few days to two weeks**. If two weeks have passed, ask your bank for the transfer's tracking number (UETR or MT103 copy) and send it to us, so we can trace it on our side.
